

**PERMIT TO CONSTRUCT APPROACH ROAD
ON
PLATTE COUNTY RIGHT-OF-WAY
PLATTE COUNTY, NEBRASKA**

(An approach road, field entrance, private driveway and/or utility construction shall not be built or any work performed on the public right-of-way of a county road without a permit from the County Highway Superintendent. Any and all construction that necessitates crossing a county road shall be at the discretion of the County Highway Superintendent. Crossing of any hard surfaced roads will automatically be by boring. An application for such a permit shall be made to and on the application form provided by the County Highway Superintendent. The County Highway Superintendent shall determine the necessity for and the size and length of any drainage and/or utility structures required. The County Board reserves the right to approve or reject the location of any approach road, driveway, field entrance and/or utility structure.)
