Township Discontinuance
Organization in Platte County

Shall Township Organization in Platte County be discontinued and replaced by the creation of a seven-member County Board of Commissioners

( ) FOR discontinuance of township organization and creation of a seven-member Board of Commissioners

( ) AGAINST changing to a commissioner form of county government

A vote "FOR" this question means that the present township organization would cease in Platte County and the present seven-member Platte County Board of Supervisors would become the Platte County Board of Commissioners comprised of seven members in the seven districts that now exist.

A vote "AGAINST" this question means that the current Platte County Board of Supervisors and the existing township organization would continue to exist.

Proposed Constitutional Amendments, title and text, to be published by the Office of the Secretary of State, once a week for 3 weeks prior to the General Election.

I, Eryn Roberts, Election Commissioner of Platte County, do hereby certify that the persons whose names are printed in the certification have made personal filings and each has fulfilled all requirements of law and each is entitled to have their name printed upon the official ballot as a candidate for public office, as designated in the certification. Dated this September 11, 2026

/s/
Eryn Roberts, Platte County Election Commissioner
